Anas Hassan

Full Stack Developer

anashassan.it@gmail.com — +962 790830793

LinkedIn — GitHub — Amman, Jordan

Summary

Full Stack Developer with a strong foundation in developing user-centric web applications, specializing in both front-end and back-end technologies. Gained extensive hands-on experience through completing 6 projects at Orange Coding Academy. Proficient in HTML, CSS, JavaScript, PHP, Laravel, SQL, with a passion for writing clean, efficient code and delivering innovative solutions. Eager to apply my technical expertise to a dynamic and forward-thinking web development team.

- Attention to Details
- Creativity

Professional Experience

Orange Coding Academy, Amman, Jordan   *Sept 2024 - Present*
Full Stack Development Bootcamp

Intensive course in Full Stack Web Development by Orange Coding Academy in collaboration with Simplon.Co and PSUT. Working on various projects to enhance skills in both front-end and back-end development.

Era Tech, Amman, Jordan   *June 2023 - Sept 2023*
Front-end Developer Intern

Developed and maintained web applications using HTML, CSS, and JavaScript. Collaborated with senior developers to enhance projects and improve skills.

Projects

- **Movie App:** Developed a movie application with a Laravel backend providing API endpoints and a React frontend to fetch and display movies. Features include search, filter, watchlist management, user subscription, and profile editing. Integrated secure authentication and responsive design, showcasing full-stack development skills

  Movie App GitHub Repository

- **Interactive E-Learning Platform:** Developed an educational platform focusing on STEAM topics using HTML, CSS, JavaScript, and JSON. Coordinated timelines and delivered features with a team of six developers.

  STEAM Project Link

- **NEST & Buy:** An e-commerce platform developed for furniture sales, featuring a dynamic catalog, shopping cart, and secure checkout functionality.

  NEST & Buy GitHub Repository

- **Personal Portfolio:** Built a responsive personal portfolio showcasing skills and projects. Deployed using modern web technologies.

  Personal Portfolio Link
